Whereas, from the records resting with this office, it is observed that the functioning of the Society has come to a standstill, as the staff members have been retrenched by their Company and the Managing Committee is no more interested to continue with the affairs of the society but to liquidate the said society.

And whereas, the Chairman of the society alongwith other Committee members have approached this office and vide letter dated 22nd August, 2011 resolved to liquidate the affairs of the society as the members have shown their disinterest in continuing with the affairs of the society thus defeating the objects for which the society was organized and no purpose will be served by allowing the said society to continue as the staff

members have been retrenched by their Company and they have accepted retrenchment compensation and final settlement and have left the organization.

Considering, above situation, I am fully satisfied and convinced that there is no further scope to continue with the affairs of the society and as such, the following order is passed:
